# PRESIDENT'S MESSAGE

by Ken Hold

**OK so what did you do in February?** What a crazy month! I couldn't decide if it was Winter or Spring or possibly even Summer. Regardless, we got in some fun Porsche time. The Multi-Marque Cars & Coffee on February 4, at the Jones' Toy Box was another "off the chain" event. With over 200 cars and more than 235 attendees it was a great turnout. The Jones' eclectic collection had something for every car enthusiast! The March MMCC will be the last indoor event for the winter season and will be at Lug Nuts on the Blue Sky Parkway. Racing, Restoration, and Repair are key focus areas for this shop.

I missed the February 11 Porsche Cars & Coffee due to attending the PCA Winter Board meeting in Carson, CA. Many thanks to Neil for chairing this C & C event. I'll say more about the Winter Board meeting in a separate article.

Neil arranged for our February Social to be at Cheddar's Scratch Kitchen in Lexington. We had very nice weather for Porsche driving to the event. There were 15 members and a guest attending. They arrived in six Porsches. Good food, good service and a very good time!

On March 25, I'll be attending the annual Zone 13 Presidents meeting at Springfield, IL. The Isringhausen Porsche Dealership will be hosting the meeting. Most of the meeting will be devoted to sharing the latest information from the Winter Board meeting, discussing events and from the eight Z13 regions and sharing of best practices from the regions. Also attending will be Maggie Garnett, Region Social Media Chair. Maggie will give us pointers on the use of social media and answer questions regarding problems the regions may be experiencing.

Neil has been working with his counterpart, T.H. Morris, in the Kentucky Region to set up some joint events. We had three joint events with the KY last year and they were very enjoyable. We're looking forward to what they can arrange. Also, note that several members of the KY region drive to Lexington to attend the monthly MMCC. The KY is also great supporters of the Keeneland Concours both as volunteer judges and attendees at our Porsche Paddock. They also contribute to the Paddock Challenge!

See 'ya at an event soon.

## **C.) Old Business:**

- 1) **Multi-Marque C&C** – This was the largest attendance for an indoor event with over 198 cars counted in the parking lot. Big Ass Fans is interested in hosting a future event. A lengthy discussion revolved around the relationship between MMCC and BGPCA. The board unanimously agrees that MMCC is not a BGPCA event but some may be under a different impression. Information is being gathered and steps will be taken to assure there is no ambiguity in this regard.
- 2) **Club Chotskies** – We now have an ample stock of logo'd beverage glasses and windshield sunscreens.
- 3) **Holiday Party Feedback** – We received very favorable feedback regarding the holiday party. It was suggested to offer a gluten free choice next year.
- 4) **BGS Directory** – A lengthy discussion was held regarding the pros & cons of providing a member directory. Ken received 30 responses to his request for feedback, of which 85% was favorable. Further details need to be worked out including password protection and allowing members to choose whether or not they want to be a part of the directory and what information they would like to include.
- 5) **Track Chair** – The position will remain open. Mike Wilson will occasionally provide articles.

## **D.) New Business:**

- 1) **Spoofing** – Ken discussed a scam on the internet where some board members have received emails requesting the transfer of club funds. This is obvious a hoax and we are reminded to always be suspicious of email based fund requests.
- 2) **Z13 President's meeting** – Ken will be attending the Presidents meeting March 25th at Isringhausen Imports in Springfield, IL. Jamie Donaldson made a motion for the club to cover travel and lodging costs which was seconded by John Schmidt. A vote was approved by the board.
- 3) **Input for Ken** – Ken has requested that feedback be sent to Patrick Meyer.

**E.) Meeting Close:** Motion to adjourn at 6:37 by Jamie Donaldson and 2nd by Rick Music.

All of those questions can be answered in one of the club social media sites or communication channels listed below.

# PORSCHE C&C February 11

Hybrid's and Spyder's and Cayman's,  
oh my!

We had a great time at the February Porsche Cars & Coffee with 12 members present and 9 Porsche cars driven. You never know what kind of weather you get this time of year, but we do it rain or shine, snow or sleet. Well, if it is snow or sleet you might want to stay home and watch the tube, but otherwise come on out the second Saturday of each month! We are always at Cosi Restaurant in Hamburg. Hope to see you there.

# PCA WINTER BOARD MEETING

by Ken Hold

**The National Board meeting was held on Saturday, February 11 at Carson, CA.** The club has two main board meetings a year. The Winter meeting, held usually in February and the Summer meeting held in June/July. These meetings are opportunities for the Executive Council (National President, Vice President, Secretary, Treasurer and Past President) and the National Committees to meet. The meetings also provide a time for training of new Zone Reps and Committee Chairs. There are several face to face discussions between members of different committees. Since our club is nationwide, most interactions are by phone or email. This opportunity to meet face to face is very beneficial and productive. I am a member of the National Nominating Committee. We are charged with the responsibility every two years of developing the slates of candidates for both the Executive Council and the Financial Audit Committee. During this Winter Meeting, we interviewed individuals for the Financial Audit Committee for the term of August 1, 2017 thru July 31, 2019. Our committee also does several phone interviews for members not attending the Winter Meeting. The actual Board Meeting is held on Saturday afternoon. You can view minutes of Board Meetings by going to the National website, clicking on the "Forms & Documents" link and under Category selecting "Board of Directors Meeting Minutes". The most current to-date is the Draft version of Summer 2016. These minutes were approved at the February 20, 2017 teleconference Board vote. The Winter 2017 minutes will be posted in Draft form soon.

As I mentioned earlier, on February 20 we had a teleconference Board vote. This is the second teleconference Board vote and will now be the way Board votes will be taken. FYI the Board consists of the National Executive Council (5 members), National Standing Committee Chairs (11) and Region Presidents (143). A quorum is 96 Region Presidents. There were 134 total participants on the teleconference. We voted on the following 6 items:

1. *Approve minutes from the Summer 2016 Board of Directors Meeting*  
 Yes 122                      No 0                      Abstain 6                      Passed
2. *Approval to split Zone 6 into two Zones to reduce the geographic area covered by this single zone. Zone 6 currently covers sixteen regions, five states, three provinces, and approximately 1.4 million square miles.*  
 Yes 128                      No 1                      Abstain 2                      Passed
3. *Approve the merger of the two Zone 11 Regions, Alaska and Hawaii, into their geographic nearest neighbors Zone 6 and Zone 8 respectively.*  
 Yes 41                      No 79                      Abstain 11                      Failed
4. *Approve the PCA Intellectual Property Policy*  
 Yes 125                      No 5                      Abstain 4                      Passed
5. *Approve the PCA Recognized Entity Policy*  
 Yes 121                      No 6                      Abstain 3                      Passed
6. *Approve the PCA Secretary Policy and Procedures*  
 Yes 126                      No 0                      Abstain 0                      Passed

Let me know if you would like more details about these six motions.

On Saturday evening the meeting attendees were invited to visit the West Coast Porsche Experience Center. The visit included dinner, a facilities tour and a drive around the Handling Circuit in Macan Turbos driven by professionals. A most appropriate time to wear seatbelts!

## Diagnostically speaking, there is no substitute.

The best equipment. And the best minds trained to use it. These are your Porsche certified technicians. Dedicated to Porsche vehicles above all else, they must complete over 80 hours a year training in the latest diagnostic technology and techniques. You'll also take comfort knowing all Porsche genuine parts are factory-backed for two years when installed by your authorized dealer. Better still, there is no substitute for having your vehicle serviced by professionals who not only know Porsche, but live Porsche every day.

Our first time at this venue. The seating was little challenging in getting everyone close together but the food was great and so was the service. We had a good turnout and unfortunately Ken didn't get to make a speech, but otherwise I think everyone had a great time! We hope to see you at the March social which will be at Hall's On The River on March 19, 2017.

## **Multi Marque Cars & Coffee**

**As I mentioned earlier, the Lug Nuts event will be the final indoor gathering this Winter. On Saturday, April 1 the gathering will again move outside to Hamburg in the parking lot in front of Value City. As you know these Cars & Coffees are getting attendance of 200+ for indoor gatherings and 300 – 400 for outdoor gatherings. This has been remarkable growth in the four years since Ed Steverson started the gatherings. Our club has reached a similar point with this monthly event as it did 14 years ago with the Keeneland Concours. The event is too large for one club to host and direct. It has already become known as the Lex Ky Cars & Coffee. The Facebook page has over 750 members and monthly informational emails are sent to the BMW, Corvette, Antique Auto, Asian Sports and Porsche Clubs to name a few. Most of these clubs have gained membership as a result of the monthly gatherings. These gatherings have become the biggest car events in Lexington. Our club will get 10 – 20 attendees routinely and we get attendees from the KY Region also. As we transition to the outside gatherings in April, these gatherings will not be hosted or directed by the Porsche Club. I expect the area car clubs and individuals will continue to participate and enjoy Lex Ky Cars and Coffees as stand-alone events.**
