Diagnostically speaking, there is no substitute.

The best equipment. And the best minds trained to use it. These are your Porsche certified technicians. Dedicated to Porsche vehicles above all else, they must complete over 80 hours a year training in the latest diagnostic technology and techniques. President's Message

Beautiful weather, great events ahead

By Ed Stevenson

With the end of summer comes the beginning of fall and fall is Beautiful driving in Kentucky. The temperatures are more comfortable and the trees are beautiful!

FALL CHARITY DRIVE

The Fall Charity Drive is a great opportunity to enjoy some fall driving pleasure with several friends while raising money for Cardinal Hill Hospital. Details can be found later in my article and email notices will be sent out. Please join us.

What we have been doing:

CARS & COFFEE

September was another great turn out at Cars & Coffee. The word is spreading and this event is growing! In September we had a wide assortment of makes. Some included Vettes, Vdubs, Stangs, and many Porsche cars ranging from as old as a 356, as new as a 997, and all kinds in between. This is a great reason to get out early on a Saturday morning. Please invite your friends and come on out to a NEW LOCATION, The Clarion Hotel on Newtown Pike at the interstate this Saturday to enjoy a wide assortment of automobiles.

FALL FESTIVAL

Several members attended the Kentucky Region's HPDE in Putnam Park on the weekend of the 15th. Kentucky Region and Blue Grass Motorsport puts on a knock-your-socks-off event. Check out the photos and article in this *Rumble* from Richard Collins.

SEPTEMBER SOCIAL

We lined Sheffield Place with Porsches while Robert and Denise McClelland hosted our monthly social at their home with a cookout. A good time was had by all. Thank you to the McClelland's.

What we are gonna do:

CARS & COFFEE

October 6th will be our next C&C. Due to the growth we had to find a larger venue. We have moved to The Clarion Hotel on Newtown Pike near the interstate. They will block off parking for us in front of the Restaurant. Coffee and Danishes will be available on their patio. A full service breakfast bar is located inside if you are really hungry!

The new location will hold over 100 cars and the directions are easier to give to out-of-towners. Please spread the word, and I hope to see you this Saturday.

FALL CHARITY DRIVE

Our annual Fall Charity Drive will be the weekend of October 13th and 14th. Steve and Ann Womack will once again host the club to some of the best driving roads and best hospitality that you will experience all year!

We will meet in Lexington at the Bob Evans located at 2341 Buena Vista Road, just off of Winchester Road near the interstate. The drive will start at 9:00 am sharp. Breakfast is available prior for those interested. We will enjoy some of the best roads that Eastern Kentucky has to offer. Steve and Ann will host an over-the-top dinner Saturday night at their

home. This is an event I never miss!

In the past we have run our Porsche cars side by side down a private air strip and shot a 50 caliber rifle. I'm sure once at the Womack's we will have some cool entertainment.

I encourage you to come play with us. Accommodations are available on a first come first served basis in the Womack's guest house by a request to me @ 502.320.2655.

There will also be a drive on Sunday. You are welcome to participate in the entire weekend or only one day. Our 2012 charity beneficiary is Cardinal Hill Rehabilitation in support of the club's friend Ramon Juanos.

I need a RSVP by October 10th so Steve and Ann can plan for dinner.

Hope to see you at an event soon.

*Drive it,
Ed*

The 13th Annual Huber's Winery Drive

When: Saturday October 20th

Meet: DQ Hurstbourne Pwky next to Bachman VW

Time: Departing 10:45am, sharp.

This is our yearly drive to Huber's Winery. We will meet up with CIR (Indy PCA Region), SIR and Bluegrass Regions as well. We'll once again try to have four Porsche Club regions meeting in the same place at the same time! We usually have over 100 Porsches on the lawn of Huber's.

We'll plan on being there around 12:30pm. You're on your own returning because some like to stay and others just go for the drive. It is also Huber's Pumpkin Fest. There is always something for everyone.

We'll be taking the same road as last year, which are some of Southern Indiana's most scenic roads. This will be a fun ride and event. Put it on your calendar and plan to attend!

Any questions email Steve McCombs @ shmc930@hotmail.com

Paul's Foreign Auto would like to announce the addition of Shawn Leonard to our staff. Shawn is widely recognized as one of the premier Porsche techs in the area and we would like to invite you to come by, check out our shop, and get to know us. Personal service and customer satisfaction are among the main criteria that we have focused on for the last 22 years and we have the latest in computer diagnostic capability.

September social held at McClelland home

About 20 members gathered at the home of Denise and Robert McClelland for the September social.

Robert grilled turkey burgers, chicken, brats and hot dogs, and everyone else brought complementary dishes.

We had a great time, as usual, eating, talking Porsches and generally getting to know better fellow enthusiasts.

If you have never attended a monthly social, you need to do so. These events take place on the third Sunday of each month.

KYPCA Fall Festival great event!

Text and photos by Richard Collins

Richard Collins in his '74 IROC clone being chased out of turn 10.

As everyone has indicated the DE was a great event once again.

We had some familiar cars and several new ones including

another SLC (Superlight Race Car), an SLS (Benz V12 Gull-wing), some 427 Cobra's, ZO6 Vettes, Lotus, and many, many Porsches of various vintage and

speeds. The event was sold out as usual. Photomotion was there taking shots of everyone on the track.

I have included one of my favorites with me (yellow headlight on white Porsche) coming out of turn 10 being chased by 2 cars which I waived past when I got off the corner.

Blue Grass Motorsport in Louisville sponsors the event while KYPCA's Jeremy Miller, Dan the safety man Stewart, Chuck Hicks, Richard Darnell and many others run the absolutely first class event. The weather and conditions were perfect.

I had my GoPro camera on the roll bar of my car

during the 20-25 minute sessions. Except for the first session when the camera got some wide angle shots of my roof in the car, three other sessions were well recorded for posterity. Interesting none showed me passing anyone but maybe they were edited out, by magic... :-).

The next PCA event there is set for June next year. If you have never tried to drive at speed under well controlled conditions, this is well worth the time.

427 Cobra in my group was very fast.

Cayman InterSeries lost steering wheel in turn 9.

- Drawing for track event Putnam Park
- Club-initiated/funded events @ Blue Grass Motorsport & Porsche of the Village
- Lobby PCNA for another Lexington dealership

- No reason to carry this much \$. Develop plan to use club funds to benefit members.
- As a small club we should carry a balance. Hard to predict future revenue strength.
- Need comfortable cushion in case of unexpected (unbudgeted).
- Seems high to me.!
- Seems a little high to me.
- Can't evaluate without knowing annual expenses, risks.
- Depends on need/use. \$5000 seems okay given what I know.
- Unless we are saving to host a DE we should spend it.
- Club needs a budget set each year by March Board meeting, then live by it.

Should a minimum treasury balance be set, \$2,000 for instance, with funds dispersed each year to meet member interests? **YES 8 NO 4**

Survey questions in bold type, YES & NO tally, all answers received bulleted:

- Yes, yes, yes—for member interests only
- If there is no better way to use the funds, I suppose so.
- I think it's ok to retain funds to next year.
- Not enough information to opine.
- Set funds back for a DE, higher [balance?] than \$2,000

In years past we have asked members via Chat and Rumble to tell us what charity they would like to see the club raise money for besides Children's Hospital. The Board has then selected from among suggestions received. Do we need a better process for choosing charitable focus? YES 6 NO 11

- I think this is ok. I think no matter how you ask some will answer, many will not.
- This is a good process.
- Seems like a good one.
- Present to all members for vote instead of board pet charities
- Good process flawed by small club response. Members don't care.
- I'm not wealthy, and I'm put off by my CAR club asking me for money for a charity. I can choose my own charitable gifts. Maybe this is why so few members show up for events.
- Yes, but I don't know what it is.
- Suggest we focus on one as our "official" cause.
- Maybe send out email suggestion ballot

- Charities should be local to counties covered by BGS

What charitable focus or agencies would you like to see the club support?

- Children's Hospital. Forget further charitable efforts and focus on members and cars.
- KY-based charities within our region
- Autotech Scholarships
- Board decides
- Use above process to include other focus charities, continue with UK Children's as a base charity
- ASPCA, Hope Center
- None or one. I thought this was a CAR club, not a beg-for-money club.
- Arts, anything for kids
- Children's Hospital seems enough.
- Hospice of the Bluegrass
- Any deemed worthwhile by the club
- NAMI, Cystic Fibrosis, Diabetes
- Cardinal Hill, Shriner's

The final survey item invited members to volunteer to serve on the Board. Four members indicated they would consider serving on the board.

We will update this summary to reflect additional cards received after Oct. 2.
