## Membership by Gary Hackney, Membership Chair

I received a partial update for September: 3 new members, 2 non-renewals, 1 transfer in, 1 transfer out. But no info on total membership count.

I'm still expecting that in a separate mailing; I hope to have for November's Rumble.

### Newest members:

**Rod Johnson, Lawrenceburg KY, 1985 911**  
**Julie Lisle, Lexington KY, 2005 911**  
**Herman Tudor, Lexington KY, 1984 911**

(The transfer out was a 968 owner in Louisville who was a new member last month and must've wound up in the wrong region.)

### Detail for winter tech session, October 23th, 3:00pm

The gracious owners of Jazzy's Executive Car Wash in Hamburg have offered to host a tech session for our club. Everyone that arrives by 3:00pm will have the opportunity to place their keys in a hat and from that hat some-

one's car will be chosen for a free full detail that day and that will be the demonstration car. Food from Damon's will be provided. Bring your Porsche out for a chance to get your complimentary end of season detail ! Any Questions, Contact Ed Stevenson 502.320.2655

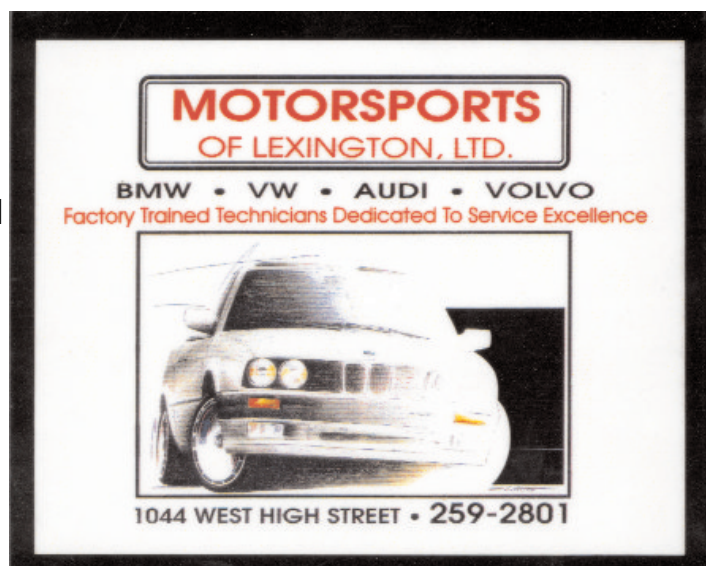

## 2005 Porsche Parade News

On Saturday, 25 June, the first ever National Literature and Parts Swap Meet will be held on the expansive parking lots behind the Hershey Amusement Park outdoor stadium. Brought to you by Central Penn Region, the same folks who do Hershey in the spring, this will be a reprise of that swap meet with a national flavor for vendors and buyers alike.

East Coasters know Hershey in April is huge. A National Swap Meet at the Parade on this day will be a great opportunity for Porsche lovers across the country to experience the great automobilia traditions of Hershey and Carlisle-only with a Porsche flavor! For details on the swap meet, contact Steve Baun at sbturbo@aol.com

On Sunday, the 2005 Parade invites all Registers/Special Interest Groups and Porsche owners who may not be members of PCA (whom we hope to sign up this day) to attend the Parade car show, held in conjunction with the Parade Concours d'Elegance and historic car display at the scenic Hotel Hershey Golf Course. The 2005 Parade already has commitments from 70 historic cars for the display, and we anticipate a tremendous representation of significant concours cars for the formal judging.

The car show, however, is totally low key, featuring a tongue -in -cheek people's choice voting for a unique set of awards. No judges, no q-tips, just fun. From the early Porsche tractors to the latest 997, we'll have everyone represented. Just drive your car onto the fairway, park with other owners who drive the same car you do, and then sit on your lawn chair and enjoy the ambience. No pressure- just lots of Porsches, music, and beautiful scenery. For details on the Car Show, contact Phil Doty at phdoty@aol.com or John Straub at vintgracer@aol.com

Becke Cleaver's 993 4S

Hello fellow Bluegrass Region Members,

Summer is over and fall is here. I hope everyone had a great summer that included many happy drives in their favorite Porsche car. We still have a few weeks of nice temperatures and the beautiful fall colors to entice us to add a few more miles on the odometer.

Since the last Rumble, I have volunteered to fill the activities chair in addition to my newsletter responsibilities. My first activity is the winter detail tech session at Jazzy's Executive Car Wash in Hamburg on October 23th. Please try to attend, Jazzy's will be giving one attendee a **Free** full detail. That is a great way to get your Porsche car ready for the winter at no cost or effort on your behalf. I hope to see many of you there.

I welcome any suggestions for upcoming activities or Rumble articles. Please send them to [rumble@abracadabra-graphics.com](mailto:rumble@abracadabra-graphics.com).

Drive it,  
Ed

### Fall Color Tour- September 25, 2004 by Ken Hold

---

A great drive! Many thanks awarded to Walter and Janie Davis for hosting our visit to Eastern Ky. Our 279 mile drive included the entire length of the Mountain Parkway, a tour of Jenny Wiley State Park, and a panoramic view of Prestonsburg's Stone Crest Golf Course.

While the primary color of the leaves we saw was green, we brought beautiful cars in blacks, reds, and even blue to add to the Eastern KY color

scape. Eleven club members attended the event in 6 cars. In addition to the 5 Porsches our members drove, Betty Wegner drove her Mini-Cooper.

Our scenic drive out the Mountain Parkway was followed by a pleasant lunch at the May Lodge located in the Jenny Wiley State Park. After lunch, Walter led our caravan on a tour around the park's picturesque Dewey Lake. The road was great, the curves sweeping and the views wonderful. Walter challenged our cars' turning ability when taking us to the top of a local mountain to view the Stone Crest Golf Course. We traveled to the home of Greg Stumbo, the Kentucky Attorney General, to get an overview of the course. This golf course and the numerous community athletic fields it surrounds is an example of land reclaimed from "hill-top" mining. It was the first experience several of us have had at viewing this type reclamation process in its reality.

Walter and Janie gave us a great introduction to the Eastern portion of our state. We have a better appreciation of the distance some of our members must travel to be involved in our club. Having activities convenient for our Eastern Kentucky members to attend will remain a priority for our club.

## Blow Your Money On Cars, Not Insurance.

Let's face it, the less you spend on insurance, the more you'll have to spend on the car of your dreams. So call Hagerty. Since all we insure are collector car owners – the safest drivers on earth – our rates are ridiculously low. So blow your dough on something fun for a change.
