P R E S I D E N T ' S C O L U M N

Ok, did you get your spring cleaning done? Do you have the P-car ready? Well May and June are going to provide great opportunities for you to get out and enjoy some quality Porsche time. We've already got two car shows and a Winery Cruise lined up. The Tennessee Tub 356 show on May 20 is a fantastic event. The drive to Nashville with members of the Kentucky Region is a great start, followed by a dynamite car show and did I mention some great Bar-B-Que. Cal Turner hosts the event and opens his personal collection of outstanding Porsches, including his Carrera GT. In June we go to Cincinnati and the Ault Park Concours. For the past two years, we've gotten to park our cars on the circle reserved for "cars of interest". And, we typically meet up with members of the Ohio Valley Region while we're there. Also in June, Tim and Trish McNeely will lead us on a super drive that as sometimes happens with Tim, ends at a winery. We have great expectations for this one!

It's getting to be a very busy time for the Keeneland Concours d'Elegance. Next week I'm traveling with other members of the concours Planning Team to Louisville to meet with the Kentucky Region and to Cincinnati to meet with the Ohio Valley Region. We're also meeting here in Lexington with the local Corvette Club. We'll be doing a similar promotional presentation as the one done at our February Social. One addition since our meeting is that Larry Woods is going to host a get

together after the car show on Saturday (August 26) for BGR members and other Porsche folks who attend the show. There will be more information to come from Larry. Becke Cleaver is chairing the Porsche Club Paddock at the concours. Also, I've included an informational article about the concours later in the Rumble. Let me know if you have any questions.

At least one of our BGR members listened to me last month. Jas Dhillon cleaned out enough room in his garage to park his new Carrera GT. Yes the one you've seen on the streets of Lexington does belong to a BGR member. Jas has a very neat garage with some outstanding cars! I think it totals somewhere around 3,500 hp! I've asked him to host a visit for our folks. More information to come.

I am major league stoked! The things I love about our club are the people and the cars. It's great to see the events that we are doing in combination with several other regions and even other car clubs! Spending time with other car nuts is a real blast. I get totally excited at our events when I see the outstanding cars that exhibit the history of the Porsche marque. From the early 356 to the fantastic Carrera GT and the latest Cayman, we have them all at our events. You don't have to be a Porsche expert to enjoy our events. Come share the Passion!!

See you at an event soon.

Still there for the fun of it!

Well the Porsche season has started! Get that cover off your car and out of the garage. We have several GREAT activities planned. I now included the entire year's calendar in each Rumble. So check it out and plan your year around it!

Suggestions and/or comments for the Rumble or activities can be emailed to: rumble@abracadabra-graphics.com or I can be reached by phone at 502.320.2655

Drive it,
Ed

Membership by Tim McNeely

We're holding steady with 112 members...but there are a couple of you out there late renewing your membership... you'll be hearing from me.

So what types of P-cars are our members driving??? While I don't have data on those lucky members who own more than one Porsche, following is what the database says:

- (60) drive 911's
- (15) drive Boxster's
- (8) drive 944's
- (7) drive 928's
- (6) drive Cayenne's
- (5) drive 914's
- (3) drive 356's
- (3) drive 968's
- (2) drive 912's
- (2) drive 924's

Obviously each of these models has several versions..."S", Turbo, GT, etc. Also many members have multiple Porsche's and only list one in the PCA database. I know one lucky member who has a shiny new Carrera GT in his garage...how awesome would that be?

Upcoming Club Events

Tennessee Tubs, May 20th

Let's go eat Bar-B-Que! If you want to have a great time, see some fantastic Porsche's, and meet more Porsche car nuts, come with us to the Tennessee Tubs Bar-B-Que on Saturday May 20. This is an event the Bluegrass Region has attended for the past two years and it's a BLAST! The show (and food!) is at Cal Turner's Farm in Kingston Springs, TN. We will be leaving from Keeneland on Friday evening, May 19 and driving to Bowling Green, KY. There we will meet up with several P-car nuts for a fun filled evening of comraderie and dinner. We'll spend the night in Bowling Green and in the morning hook up with a large contingent of Porsches for a super drive to Nashville.

There will be a judged gathering of 356's and an opportunity to view Cal's collection of very rare Porsches. And, we'll have some fantastic BBQ! After the show we will do a drive back to Lexington.

Don't miss this event. It's a good one! For details contact Ken Hold at kendell-hold@insightbb.com or 859.396.3502.

Let me know if you plan to attend so I can coordinate the trip.

3RD ANNUAL KEENELAND CONCOURS d'ELEGANCE

Competition, speed and racing have long been associated with Kentucky and its thoroughbred industry, but the Keeneland Concours d'Elegance, now in its third year, has brought automotive horsepower to the State. This prestigious four-day automobile event will be on the grounds of the beautiful, historic Keeneland Race Course, in Lexington, Kentucky the weekend of August 24-27, 2006.

Previous guest marques have been Porsche and Mercedes Benz and this year's featured marque is Corvette. Manufactured in nearby Bowling Green, Kentucky, Corvettes of every make and color, as well as the rare and significantly historic will be on display.

The Keeneland Concours weekend will begin on Thursday, August 24th for a tour and tasting at two legendary bourbon distilleries. Space for this event is extremely limited; however, it is sure to be one that is not soon forgotten.

A black-tie gala party will be held on Friday, August 25th, affording Lexington the opportunity to display its Southern hospitality during an evening of dining, dancing, and good conversation.

The Concours on Saturday, August 26th will exhibit 100 of the most exotic, rare and unique automobiles in the country whose owners hope to win a coveted trophy. In addition to the judged automobiles, several Car Clubs will be displaying member cars their Car Club Paddock. Also, individuals who wish to drive their personal passion to the show will be able to park and display their ride in an area designated for Cars of Special Interest. Fashion, art, and booths of all kinds will make this event one the entire family will enjoy. After the Concours, PCA Bluegrass Region will be hosting a gathering for Porsche drivers at Larry Woods' Farm. Send an e-mail to Larry at glwoods@us.ibm.com for more information and directions to the farm. It's located about 10 miles from Keeneland. Let Larry know if you plan to attend.

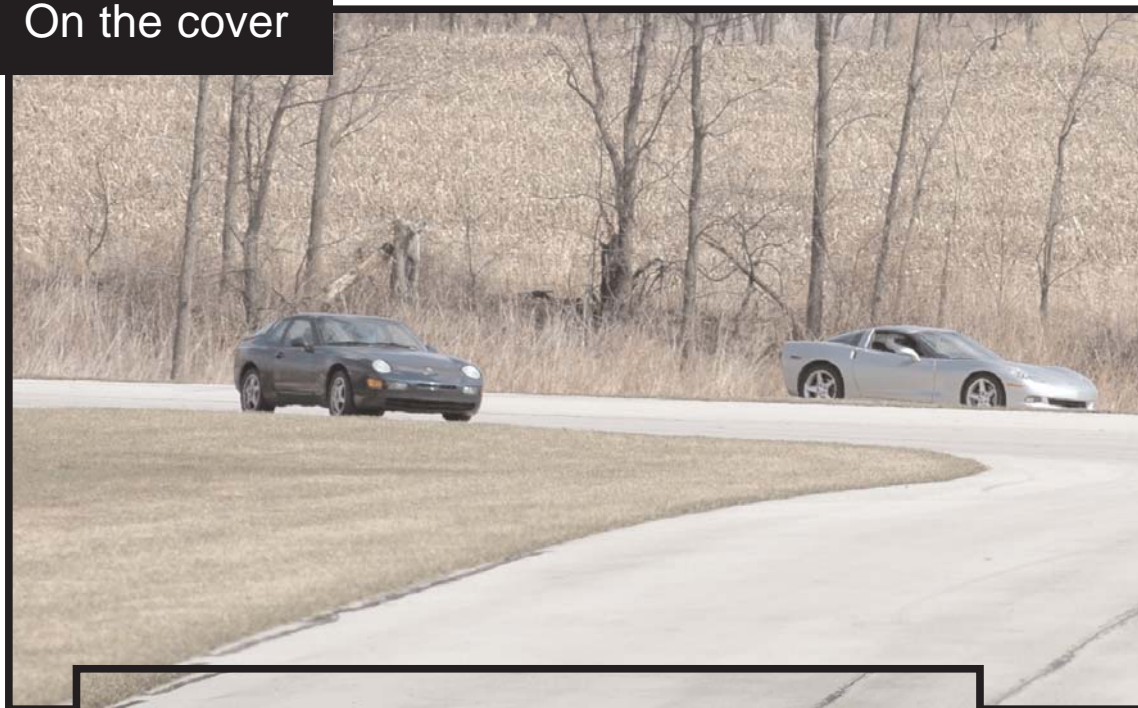

The ever-popular Tour d'Elegance will be on Sunday August 27th, where a limited number of automobiles will participate in a 70-mile tour through the most beautiful countryside in the region.

All proceeds for the entire weekend benefits Kentucky Children's Hospital and WUKY, the University of Kentucky's public radio station.

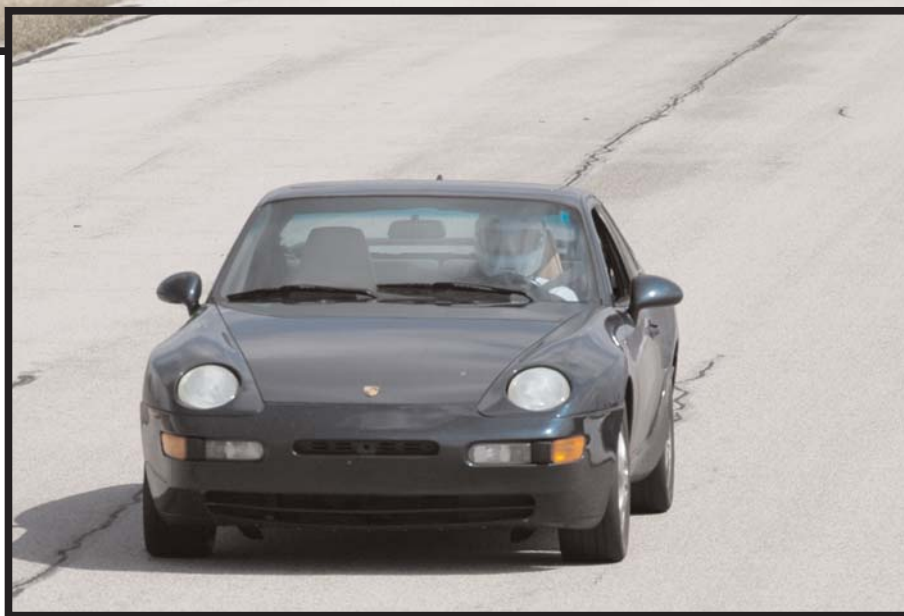

This year's Keeneland Concours d'Elegance promises to be a weekend filled with "class, elegance, style and artistry", says Chairman, Tom Jones. So mark your August calendar now to attend the Keeneland Concours d'Elegance in Lexington, Kentucky.

Track Action by Gary Hackney

Five of us had a great time at CIR's "Spring Brake" DE. Benson Miller needed three distributor rotors, and I had no power steering after the first day but those were the only car troubles. Bob & Sarah Dawson instructed as usual, and Tim Howard did his first DE and is ready for more. I got in 409 miles over three days, corded two tires in the last session of the weekend, and went home tired and happy.

Registration for Kentucky Region's DE at Putnam 6/17-18 should be open now; check their website. This is their first track event and they expect to run it almost exactly like Central Indiana runs theirs.

(I can't make this event, but no one should be planning their events around mine anyway.)

The PCA has the best track schedule of any club in the country. At least one of our members bought his Porsche to have better access to more track dates, and I know of a non-member who's looking for a 944 for the same reason.

If all goes well we'll have five members at Road Atlanta in June, two for the first time. We treat track weekends like a remote Bluegrass PCA party; come join the fun!

Wanna participate more with the club?
How about accepting the activities chair or newsletter editor?

As many of you know, I hold the two positions of activities coordinator and newsletter editor for the club. The time has come and I would like to give up one of the positions. Take your choice. This is a great opportunity if you were thinking of taking a larger role in the club. Both positions are well established and I would assist the lucky/brave individual(s). The activities calendar is developed for the year and would require a small amount of follow-up for a few activities still in planning. The editor position requires a bit more work, but I have the format set up and it could be as easy as replacing monthly information. I have thoroughly enjoyed both positions, but with as busy as my life currently is, I feel it would be better for both me and the club to allow one of the positions to be filled with new blood. Give it some thought, and then some more thought and anyone interested please contact me by phone at 502.320.2655 or email: rumble@abracadabra-graphics.com.

Drive it,
Ed

Rumble News

Rumble Expenses are exceeding the amount of revenue we are currently getting from advertising. Our monthly cost to produce and distribute the Rumble is \$300. The revenue from our eleven regular advertisers is \$173 per month. This leaves us with a shortfall of approximately \$127 per month. We are encouraging our members to do a couple of things to help the club with this situation.

First, we are asking members to receive the Rumble via email if possible. This mode of receipt reduces all of the costs associated with distribution. It also results in your getting the monthly issue a couple of days sooner. Let Ed Stevenson know if you can switch to email delivery.

Second, we need more advertisers. If you have a company, the Rumble is a great way to get inexpensive advertising to a population of nearly 200 folks. If you know of a company that might be interested in advertising in the Rumble either contact them directly (the advertising form you can use is on our website) or let Ken Hold know who to contact at the company.

We feel a quality monthly newsletter is important for our club. Help us to reduce costs and increase revenue.

New Bluegrass Region Cards are in!

Since PCA changed BGR's web address (www.bgs.pca.org) our old cards are inaccurate.

New ones have been printed and are available by contacting Ed Stevenson, Ken Hold, or attending a BGR function. Please place a couple in your wallet and hand them out to Porsche's you come across in your daily activities.

New cards have been redesigned and feature the 997.
